Unfortunately we get rejected from the app store due to copyright infringement.

This is a notification that your application, Tetris, with package ID com.clouby.tetris, has been suspended from the Google Play Store.

**REASON FOR SUSPENSION:** Violation of the [impersonation or deceptive behavior](#) provisions of the Content Policy. Please refer to the [impersonation policy help article](#) for more information. If you are authorized to publish on behalf of the original content or brand owner, please contact us via the [Google Play Developer Help Center](#) and attach verifiable and accepted proof of permission.

This particular app has been disabled as a policy strike. If your developer account is still in good standing, you may revise and upload a policy compliant version of this application as a new package name.

This notification also serves as notice for other apps in your catalog. You can avoid further app suspensions by immediately ensuring that no other apps in your catalog are in violation of (but not limited to) the above policy. Please also ensure your apps' compliance with the [Developer Distribution Agreement](#) and [Content Policy](#).

All violations are tracked. Additional suspensions of any nature may result in the termination of your developer account, and investigation and possible termination of related Google accounts. If your account is terminated, payments will cease and Google may recover the proceeds of any past sales and/or the cost of any associated fees (such as chargebacks and transaction fees) from you.

If you feel we have made this determination in error, you can visit this [Google Play Help Center article](#).
